Overview

Join us as we discuss specific CPT coding hot topics and issues surrounding different body areas. If you have specific questions, you may submit them with your registration at least two weeks in advance and we will try to include them in the presentation. While these are appropriate for coders in both the facility and clinic/physician practice setting, some discussion on APC grouping of these codes will be included.

Target Audience

Health information directors and outpatient coders, business office directors and outpatient billers, compliance officers, CFO's, chargemaster managers and other interested hospital personnel

Objectives

1. Discuss hot topics in coding in the specialty area covered.
2. Describe specific documentation to review to help determine the correct code assignment.
3. Discuss how work value impacts APC payment rates (OPPS) and physician payment (RBRVS) for services commonly performed in the specialty area covered.

Faculty

Continuing Education

Certificates of Attendance will be issued to all registrants attending this webinar. These certificates should be placed on file at your hospital as evidence of attendance. Certificates of Attendance will not be awarded for taped sessions.

Registration

\$200 per session for THA/THIMA members

The registration fee includes **one connection and site fee**. One or more individuals from the same facility may participate for the same fee. Participants are encouraged to log in 15 minutes prior to the start of the program, as the program will begin on time.

Participants should register at least five business days prior to the event to ensure optimal processing of conference materials. To register, please submit the attached registration form. If you have not received confirmation via the e-mail provided on the registration form at least three business days prior to the event, please contact Penny Williams at 615-401-7436, or via e-mail to pwilliams@tha.com. **Without payment (via check or credit card), your registration cannot be processed, and you will not receive connection instructions.**

Prior to the event, you will receive instructions and passwords for accessing the event, along with the slide presentation and other resource materials. It is the responsibility of the registrant to download and/or access presentation materials prior to the day of the event. If your e-mail address changes, you do not receive an e-mail with instructions from THA or if you are unable to download or open presentation materials, please contact THA two days prior to the event to allow time to address the issue.

Substitution, Transfer and Cancellation Policy

Refunds, minus a \$25 processing fee, will be granted if requests are received in writing by the THA at least 5 business days prior to the program. No refunds will be issued after that date. Substitutions, however, are permitted. E-mail refund requests to Penny Williams at pwilliams@tha.com.
